

MEMBERSHIP AND ACCOUNT AGREEMENT

This Agreement covers the rights and responsibilities concerning your accounts and the rights and responsibilities of the credit union providing this Agreement (credit union). In this Agreement, the words "you" and "yours" mean anyone who signs an Account Card or Account Change Card (Account Card or any other account opening document). The words "we," "us," and "our" mean the credit union. The word "account" means any one (1) or more share or other accounts you have with the credit union.

Your account type(s) and ownership features are designated on your Account Card. By signing an Account Card, each of you, jointly and severally, agree to the terms and conditions in this Agreement and Account Card, the Funds Availability Policy Disclosure, Truth-in-Savings Disclosure, Electronic Funds Transfer Agreement and Disclosure, Privacy Notice Disclosure, any Account Deposit Receipt accompanying this Agreement, the credit union's bylaws and policies, and any amendments to these documents from time to time which collectively govern your membership and accounts.

1. **MEMBERSHIP ELIGIBILITY** - To join the credit union you must meet the membership requirements including purchase and maintenance of the minimum required share(s) ("membership share") as set forth in the credit union's bylaws. You authorize us to check your account, credit and employment history, and obtain reports from third parties, including credit reporting agencies, to verify your eligibility for the accounts and services you request.

2. **INDIVIDUAL ACCOUNTS** - An individual account is an account owned by one (1) member (individual, corporation, partnership, trust or other organization) qualified for credit union membership. If the account owner dies, the interest passes, subject to applicable law, to the account owner's estate or Payable on Death (POD) beneficiary/payee or trust beneficiary, subject to other provisions of this Agreement governing our protection for honoring transfer and withdrawal requests of an owner or owner's agent prior to notice of an owner's death and to any security interest or pledge granted by the account owner and subject to our statutory lien rights.

3. **JOINT ACCOUNTS** - A joint account is an account owned by two (2) or more persons.

a. **Rights of Survivorship.** Unless otherwise stated on the Account Card, a joint account includes rights of survivorship. This means when one (1) owner dies, all sums in the account will pass to the surviving owner(s). For a joint account without rights of survivorship, the deceased owner's interest passes to his or her estate. A surviving owner's interest is subject to the credit union's statutory lien for the deceased owner's obligations, and to any security interest or pledge granted by a deceased owner, even if a surviving owner did not consent to it.

b. **Control of Joint Accounts.** Any owner is authorized and deemed to act for any other owner(s) and may instruct us regarding transactions and other account matters. Each owner guarantees the signature of any other owner(s). Any owner may withdraw all funds, stop payment on items, transfer, or pledge to us all or any part of the shares without the consent of the other owner(s). We have no duty to notify any owner(s) about any transaction. We reserve the right to require written consent of all owners for any change to or termination of an account. If we receive written notice of a dispute between owners or inconsistent instructions from them, we may suspend or terminate the account and require a court order or written consent from all owners to act.

c. **Joint Account Owner Liability.** If an item deposited in a joint account is returned unpaid, a joint account is overdrawn, or if we do not receive final payment on a transaction, the owners, jointly and severally, are liable to us for the amount of the returned item, overdraft, or unpaid amount and any charges, regardless of who initiated or benefited from the transaction. If any account owner is indebted to us, we may enforce our rights against any account of the indebted owner, including all funds in the joint account regardless of who contributed the funds in the account.

4. **POD/TRUST ACCOUNT DESIGNATIONS** - A Payable on Death (POD) account or trust account designation is an instruction to the credit union that an individual or joint account so designated is payable to the owner(s) during his, her or their lifetimes and, when the last account owner dies, payable to all and surviving POD or trust beneficiaries/payees. If there is more than one (1) surviving beneficiary/payee, the account is owned jointly by such beneficiaries/payees without rights of survivorship upon the death of the last account owner. Any POD or trust beneficiary/payee designation shall not apply to Individual Retirement Accounts (IRAs). We are not obligated to notify any beneficiary/payee of the existence of any account or the vesting of the beneficiary/payee's interest in any account, except as otherwise provided by law. This paragraph does not apply to an account held on behalf of or held in the name of a trust.

5. **ACCOUNTS FOR MINORS** - We may require any account established by a minor to be a joint account with an owner who has reached the age of majority under state law and who shall be jointly and severally liable to us for any returned item, overdraft, or unpaid charges or amounts on such account. We may pay funds directly to the minor without regard to his or her minority. Unless a guardian or parent is an account owner, the guardian or parent shall not have any account access rights. We have no duty to inquire about the use or purpose of any transaction. We will not change the account status when the minor reaches the age of majority unless authorized in writing by all account owners.

6. **UNIFORM TRANSFERS/GIFTS TO MINORS ACCOUNT** - A Uniform Transfers/Gifts to Minors Account (UTMA/UGMA) is an individual account created by a custodian who deposits funds as an irrevocable gift to a minor. The minor to whom the gift is made is the beneficiary of the custodial property in the account. The custodian has possession and control of the account for the exclusive right and benefit of the minor and, barring a court order otherwise, is the only party entitled to make deposits, withdrawals, or close the account. We have no duty to inquire about the use or purpose of any transaction. If the custodian dies, we may suspend the account until we receive instructions from any person authorized by law to withdraw funds or a court order authorizing withdrawal.

7. **AGENCY DESIGNATION ON AN ACCOUNT** - An agency designation on an account is an instruction to us that the owner authorizes another person to make transactions as agent for the account owner regarding the accounts designated. An agent has no ownership interest in the account(s) or credit union voting rights. We have no duty to inquire about the use or purpose of any transaction made by the agent.

8. DEPOSIT OF FUNDS REQUIREMENTS - Funds may be deposited to any account, in any manner approved by the credit union in accordance with the requirements as set forth in the Truth-in-Savings Disclosure. Deposits made by mail, at night depositories or at unstaffed facilities are not our responsibility until we receive them. We reserve the right to refuse or to return any deposit.

a. Endorsements. We may accept transfers, checks, drafts, and other items for deposit into any of your accounts if they are made payable to, or to the order of, one (1) or more account owners even if they are not endorsed by all payees. You authorize us to supply missing endorsements of any owners if we choose. If a check, draft or item that is payable to two (2) or more persons is ambiguous as to whether it is payable to either or both, we may process the check, draft or item as though it is payable to either person. If an insurance, government, or other check or draft requires an endorsement, we may require endorsement as set forth on the item. Endorsements must be made on the back of the share draft or check within 1½ inches from the top edge, although we may accept endorsements outside this space. However, any loss we incur from a delay or processing error resulting from an irregular endorsement or other markings by you or any prior endorser will be your responsibility.

b. Collection of Items. We act only as your agent and we are not responsible for handling items for deposit or collection beyond the exercise of ordinary care. We are not liable for the negligence of any correspondent or for loss in transit, and each correspondent will only be liable for its own negligence. We may send any item for collection. Items drawn on an institution located outside the United States are handled on a collection basis only. You waive any notice of nonpayment, dishonor, or protest regarding items we purchase or receive for credit or collection to your account. We reserve the right to pursue collection of previously dishonored items at any time, including giving a payor financial institution extra time beyond any midnight deadline limits.

c. Restrictive Legends. Some checks and drafts contain restrictive legends or similar limitations on the front of the item. Examples of restrictive legends include "two signatures required", "void after 60 days" or "not valid over \$500." We are not liable for payment of any check or draft contrary to a restrictive legend or other limitation contained in or on the item unless we have specifically agreed in writing to the restrictions or limitations.

d. Final Payment. All items or Automated Clearing House (ACH) transfers credited to your account are provisional until we receive final payment. If final payment is not received, we may charge your account for the amount of such items or ACH transfers and impose a return item charge on your account. Any collection fees we incur may be charged to your account. We reserve the right to refuse or return any item or funds transfer.

e. Direct Deposits. We may offer preauthorized deposits (e.g., payroll checks, Social Security or retirement checks, or other government checks) or preauthorized transfers from other accounts. You must authorize direct deposits or preauthorized transfers by filling out a separate form. You must notify us at least 30 days in advance to cancel or change a direct deposit or transfer option. If your account is overdrawn, you authorize us to deduct the amount your account is overdrawn from any deposit, including deposits of government payments or benefits. Upon a bankruptcy filing, unless you cancel the authorization, we will continue applying payments from direct deposits in accordance with your authorization on file with us. If we are required to reimburse the U.S. Government for any benefit payment directly deposited into your account, we may deduct the amount returned from any of your accounts, unless prohibited by law.

f. Crediting of Deposits. Deposits made after the deposit cut-off time and deposits made on either holidays or days that are not our business days will be credited to your account on the next business day.

9. ACCOUNT ACCESS -

a. Authorized Signature. Your signature on the Account Card authorizes your account access. We will not be liable for refusing to honor any item or instruction if we believe the signature is not genuine. If you have authorized the use of a facsimile signature, we may honor any check or draft that appears to bear your facsimile signature even if it was made by an unauthorized person. You authorize us to honor transactions initiated by a third person to whom you have given your account number even if you do not authorize a particular transaction.

b. Access Options. You may withdraw or transfer funds from your account(s) in any manner we permit (e.g., at an automated teller machine, in person, by mail, Internet access, automatic transfer, or telephone, as applicable). We may return as unpaid any check or draft drawn on a form we do not provide, and you are responsible for any loss we incur handling such a check or draft. We have the right to review and approve any form of power of attorney and may restrict account withdrawals or transfers. We are under no obligation to honor any power of attorney.

c. Credit Union Examination. We may disregard information on any check or draft other than the signature of the drawer, the amount and any magnetic encoding. You agree we do not fail to exercise ordinary care in paying an item solely because our procedures do not provide for sight examination of items.

10. ACH & WIRE TRANSFERS - Except as amended by this Agreement, electronic funds transfers we permit that are subject to Article 4A of the Uniform Commercial Code will be subject to such provisions of the Uniform Commercial Code as enacted by the state where the main office of the credit union is located. We may execute certain requests for electronic funds transfers by Fedwire. Fedwire transactions are subject to Federal Reserve Board Regulation J. You may order electronic funds transfers to or from your account. We will debit your account for the amount of an electronic funds transfer and will charge your account for any fees related to the transfer. Unless we agree otherwise in writing, we reserve the right to refuse to execute any order to transfer funds to or from your account. We are not obligated to execute any order to transfer funds out of your account if the amount of the requested transfer plus applicable fees exceeds the available funds in your account. We are not liable for errors, delays, interruptions or transmission failures caused by third parties or circumstances beyond our control including mechanical, electronic or equipment failure. We will not provide you with next day notice of ACH, wire transfers and other electronic payments credited to your account. You will receive notice of such credits on your account statements. You may contact us to determine whether a payment has been received. If we fail to properly execute a payment order, and such action results in a delay in payment to you, we will pay you dividends or interest for the period of delay as required by applicable law. The dividends or interest paid to you will be based on the lowest nominal dividend or interest rate we were paying on any account during that period. Payment orders we accept will be executed within a reasonable time of receipt but may not necessarily be executed on the date they are received. Cut-off times may apply to the receipt, execution and processing of funds transfers, payment orders, cancellations, and amendments and, if received after a cut-off time, may be treated as having been received on the next following funds transfer business day. Information about any cut-off times is available upon request. When you initiate a wire transfer, you may identify the recipient and any financial institution by name and by account or identifying number. The credit union and any other financial institutions facilitating the transfer may rely strictly on the account or identifying number even if the number identifies a different person or financial institution. Any account owner may amend or cancel a payment order even if that person did not initiate the order. We may refuse requests to amend or cancel a payment order that we believe will expose the credit union to liability or loss. Any request to amend or cancel a

payment order that we accept will be processed within a reasonable time after it is received. You agree to hold us harmless from and indemnify us for all losses and expenses resulting from any actual or attempted amendment or cancellation of a payment order. We may require you to follow a security procedure to execute a payment order or certain electronic funds transfer transactions. We will notify you of any such security procedures and you agree that our security procedures are commercially reasonable.

11. ACCOUNT RATES AND FEES - We pay account earnings and assess fees against your account as set forth in the Truth-in-Savings Disclosure or Schedule of Fees and Charges. We may change the Truth-in-Savings Disclosure or Schedule of Fees and Charges at any time and will notify you as required by law.

12. TRANSACTION LIMITATIONS -

a. **Withdrawal Restrictions.** We will pay checks or drafts, permit withdrawals and make transfers from available funds in your account. The availability of funds in your account may be delayed as described in our Funds Availability Policy Disclosure. We may also pay checks or drafts, permit withdrawals and make transfers from your account from insufficient available funds if you have established an overdraft protection plan or, if you do not have such a plan with us, according to our overdraft payment policy.

We may refuse to allow a withdrawal in some situations, and will advise you accordingly: for example, (1) a dispute between account owners (unless a court has ordered the credit union to allow the withdrawal); (2) a legal garnishment or attachment is served; (3) the account secures any obligation to us; (4) required documentation has not been presented; or (5) you fail to repay a credit union loan on time. We may require you to give written notice of seven (7) days to 60 days before any intended withdrawals.

b. **Transfer Limitations.** We may limit the dollar amount or the number of transfers from your account. Please consult your Truth-in-Savings Disclosure or your Electronic Funds Transfer Agreement and Disclosure.

13. CERTIFICATE ACCOUNTS - Any time deposit, term share, share certificate, or certificate of deposit account allowed by state law (certificate account), whichever we offer, is subject to the terms of this Agreement, the Truth-in-Savings Disclosure and Account Deposit Receipt for each account, the terms of which are incorporated herein by reference.

14. OVERDRAFTS -

a. **Payment of Overdrafts.** If, on any day, the available funds in your share or deposit account are not sufficient to pay the full amount of a check, draft, item, transaction or other items posted to your account plus any applicable fee ("overdraft"), we may pay or return the overdraft. The credit union's determination of an insufficient available account balance may be made at any time between presentation and the credit union's midnight deadline with only one (1) review of the account required. We do not have to notify you if your account does not have sufficient available funds to pay an overdraft. Your account may be subject to a charge for each overdraft regardless of whether we pay or return the overdraft. Except as otherwise agreed in writing, if we exercise our right to use our discretion to pay an overdraft, we do not agree to pay overdrafts in the future and may discontinue covering overdrafts at any time without notice. If we pay an overdraft or impose a fee that overdraws your account, you agree to pay the overdrawn amount in accordance with your overdraft protection plan or, if you do not have such a plan, in accordance with our overdraft payment policy.

b. **Order of Payments.** Checks, drafts, items and other transactions may not be processed in the order that you make them or in the order that we receive them. We may, at our discretion, pay a check, draft or item and execute other transactions on your account in any order we choose. The order in which we process checks, drafts and items and execute other transactions on your account may affect the total amount of overdraft fees that may be charged to your account. Please contact us if you have questions about how we pay checks or drafts and process transfers and withdrawals.

15. POSTDATED AND STALEDATED DRAFTS - You agree not to issue any check or draft that is postdated. If you do issue a check or draft that is payable on a future date and we pay it before that date, you agree that we shall have no liability to you for such payment. You agree not to deposit checks, drafts, or other items before they are properly payable. We are not obligated to pay any check or draft drawn on your account that is presented more than six (6) months past its date.

16. STOP PAYMENT ORDERS -

a. **Stop Payment Order Request.** Any owner may request a stop payment order on any check or draft drawn on the owner's account. To be binding the order must be in writing, dated, signed, and must accurately describe the check or draft including the exact account number, check or draft number and the exact amount of the check or draft. This exact information is necessary for the credit union's computer to identify the check or draft. If we receive incorrect or incomplete information, we will not be responsible for failing to stop payment on the check or draft. In addition, we must receive sufficient advance notice of the stop payment order to allow us a reasonable opportunity for us to act on it. If we recredit your account after paying a check or draft over a valid and timely stop payment order, you agree to sign a statement describing the dispute with the payee, to assign to us all of your rights against the payee or other holders of the check or draft and to assist us in any legal action.

b. **Duration of Order.** You may make an oral stop payment order which will lapse within 14 calendar days unless confirmed in writing within that time. Written stop payment orders are effective for six (6) months and may be renewed for additional six (6) month periods by requesting in writing that the stop payment order be renewed within a period during which the stop payment order is effective. We are not required to notify you when a stop payment order expires.

c. **Liability.** Fees for stop payment orders are set forth in the Truth-in-Savings Disclosure or Schedule of Fees and Charges. You may not stop payment on any certified check, cashier's check, teller's check, or any other check, draft, or payment guaranteed by us. Although payment of an item may be stopped, you may remain liable to any item holder, including us. You agree to indemnify and hold the credit union harmless from all costs, including attorney's fees, damages or claims related to our refusing payment of an item, including claims of any joint account owner, payee, or endorsee in failing to stop payment of an item as a result of incorrect information provided by you.

17. CREDIT UNION LIABILITY - If we do not properly complete a transaction according to this Agreement, we will be liable for your losses or damages not to exceed the amount of the transaction, except as otherwise provided by law. We will not be liable if: (1) your account contains insufficient funds for the transaction; (2) circumstances beyond our control prevent the transaction; (3) your loss is caused by your or another financial institution's negligence; or (4) your account funds are subject to legal process or other claim. We will not be liable for consequential damages, except liability for wrongful dishonor. We exercise ordinary care if our actions or non-actions are consistent with applicable state law, Federal Reserve regulations and operating letters, clearinghouse rules, and

general financial institution practices followed in the area we serve. You grant us the right, in making payments of deposited funds, to rely exclusively on the form of the account and the terms of this Agreement. Any conflict between what you or our employees may say or write will be resolved by reference to this Agreement.

18. CHECKS PRESENTED FOR PAYMENT IN PERSON - We may refuse to accept any check or draft drawn on your account that is presented for payment in person. Such refusal shall not constitute a wrongful dishonor of the check or draft and we shall have no liability for refusing payment.

19. REMOTELY CREATED CHECKS. For purposes of this paragraph, "account" means a transaction account, credit account, and any other account on which checks (share drafts) may be drawn. A remotely created check is a check created by someone other than the person on whose account the check is drawn. A remotely created check is generally created by a third party payee as authorized by the owner of the account on which the check is drawn. Authorization is usually made over the telephone or through on-line communication. The owner of the account does not sign a remotely created check. In place of the owner's signature, the remotely created check usually bears a statement that the owner authorized the check or bears the owner's printed or typed name. If you authorize a third party to draw a remotely created check against your account, you may not later revoke your authorization. It is your responsibility to resolve any authorization issues directly with the third party. We are not required to credit your account and may charge against your account any remotely created check for which the third party has proof of your authorization.

20. PLEDGE/STATUTORY LIEN - Unless prohibited by law, you pledge and grant as security for all obligations you may have now or in the future, except obligations secured by your principal residence, all shares and dividends and all deposits and interest, if any, in all accounts you have with us now and in the future. If you pledge a specific dollar amount in your account for a loan, we will freeze the funds in your account(s) to the extent of the outstanding balance of the loan or, if greater, the amount of the pledge if the loan is a revolving loan. Otherwise, funds in your pledged account(s) may be withdrawn unless you are in default. Federal or state law, depending upon whether we have a federal or state charter, gives us a lien on all shares and dividends and all deposits and interest, if any, in accounts you have with us now and in the future. Except as limited by state or federal law, the statutory lien gives us the right to apply the balance of all your accounts to any obligation on which you are in default. After you are in default, we may exercise our statutory lien rights without further notice to you.

Your pledge and our statutory lien rights will allow us to apply the funds in your account to what you owe when you are in default, except as limited by state or federal law. If we do not apply the funds in your account(s) to satisfy your obligation, we may place an administrative freeze on your account(s) in order to protect our statutory lien rights and may apply the funds in your account(s) to the amount you owe us at a later time. The statutory lien and your pledge do not apply to any Individual Retirement Account or any other account that would lose special tax treatment under state or federal law if given as security. By not enforcing our right to apply funds in your account to your obligations that are in default, we do not waive our right to enforce these rights at a later time.

21. LEGAL PROCESS - If any legal action is brought against your account, we may pay out funds according to the terms of the action or refuse any payout until the dispute is resolved. Any expenses or attorney fees we incur responding to legal process may be charged against your account without notice, unless prohibited by law. Any legal process against your account is subject to our lien and security interest.

22. ACCOUNT INFORMATION - Upon request, we will give you the name and address of each agency from which we obtain a credit report regarding your account. We agree not to disclose account information to third parties except when: (1) it is necessary to complete a transaction; (2) the third party seeks to verify the existence or condition of your account in accordance with applicable law; (3) such disclosure complies with the law or a government agency or court order; or (4) you give us written permission.

23. NOTICES -

a. **Name or Address Changes.** You are responsible for notifying us of any address or name change. The credit union is only required to attempt to communicate with you at the most recent address you have provided to us. We may require all name and address changes to be provided in writing. If we attempt to locate you, we may impose a service fee as set forth in the Truth-in-Savings Disclosure or Schedule of Fees and Charges.

b. **Notice of Amendments.** Except as prohibited by applicable law, we may change the terms of this Agreement. We will notify you of any change in terms, rates, or fees as required by law. We reserve the right to waive any term in this Agreement. Any such waiver shall not affect our right to future enforcement.

c. **Effect of Notice.** Any written notice you give us is effective when we receive it. Any written notice we give to you is effective when it is deposited in the U.S. mail, postage prepaid and addressed to you at your statement mailing address. Notice to any account owner is considered notice to all account owners.

d. **Electronic Notices.** If you have agreed to receive notices electronically, we may send you notices electronically and discontinue mailing paper notices to you until you notify us that you wish to reinstate receiving paper notices.

24. TAXPAYER IDENTIFICATION NUMBERS AND BACKUP WITHHOLDING - Your failure to furnish a correct Taxpayer Identification Number (TIN) or meet other requirements may result in backup withholding. If your account is subject to backup withholding, we must withhold and pay to the Internal Revenue Service (IRS) a percentage of dividends, interest, and certain other payments. If you fail to provide your TIN, we may suspend opening your account.

25. STATEMENTS -

a. **Contents.** If we provide a periodic statement for your account, you will receive a periodic statement of transactions and activity on your account during the statement period as required by applicable law. If a periodic statement is provided, you agree that only one (1) statement is necessary for joint accounts. For share draft or checking accounts, you understand and agree that your original check or draft, when paid, becomes property of the credit union and may not be returned to you, but copies may be retained by us or be payable through financial institutions and made available upon your request. You understand and agree that statements are made available to you on the date they are sent to you. You also understand and agree that checks, drafts or copies thereof are made available to you on the date the statement is sent to you, even if the checks or drafts do not accompany the statement.

b. **Examination.** You are responsible for promptly examining each statement upon receiving it and reporting any irregularities to us. If you fail to report any irregularities such as forged, altered, unauthorized, unsigned, or otherwise fraudulent items drawn on your account, erroneous payments or transactions, or other discrepancies reflected on your statement within 33 days of the date we sent

the statement to you, we will not be responsible for your loss. We also will not be liable for any items that are forged or altered in a manner not detectable by a reasonable person, including the unauthorized use of a facsimile signature machine.

c. **Notice to Credit Union.** You agree that the credit union's retention of checks or drafts does not alter or waive your responsibility to examine your statements or the time limit for notifying us of any errors. The statement will be considered correct for all purposes and we will not be liable for any payment made or charged to your account unless you notify us in writing within the above time limit for notifying us of any errors. If you fail to receive a periodic statement, you agree to notify us within 14 days of the time you regularly receive a statement.

26. INACTIVE ACCOUNTS - If your account falls below any applicable minimum balance and you have not made any transactions over a period specified in the Truth-in-Savings Disclosure or Schedule of Fees and Charges, we may classify your account as inactive or dormant. Unless prohibited by applicable law, we may charge a service fee, as set forth in the Truth-in-Savings Disclosure or Schedule of Fees and Charges, for processing your inactive account. If we impose a fee, we will notify you, as required by law, at your last known address. You authorize us to transfer funds from another account of yours to cover any service fees, if applicable. To the extent allowed by law, we reserve the right to transfer the account funds to an account payable and to suspend any further account statements. If a deposit or withdrawal has not been made on the account and we have had no other sufficient contact with you within the period specified by state law, the account will be presumed to be abandoned. Funds in abandoned accounts will be reported and remitted in accordance with state law. Once funds have been turned over to the state, we have no further liability to you for such funds and if you choose to reclaim such funds, you must apply to the appropriate state agency.

27. SPECIAL ACCOUNT INSTRUCTIONS - You may request that we facilitate certain trust, will, or court-ordered account arrangements. However, because we do not give legal advice, we cannot counsel you as to which account arrangement most appropriately meets the specific requirements of your trust, will, or court order. If you ask us to follow any instructions that we believe might expose us to claims, lawsuits, expenses, liabilities, or damages, whether directly or indirectly, we may refuse to follow your instructions or may require you to indemnify us or post a bond or provide us with other protection. Account changes requested by you, or any account owner, such as adding or closing an account or service, must be evidenced by a signed Account Change Card and accepted by us.

28. TERMINATION OF ACCOUNT - We may terminate your account at any time without notice to you or may require you to close your account and apply for a new account if: (1) there is a change in owners or authorized signers; (2) there has been a forgery or fraud reported or committed involving your account; (3) there is a dispute as to the ownership of the account or of the funds in the account; (4) any checks or drafts are lost or stolen; (5) there are excessive returned unpaid items not covered by an overdraft protection plan; (6) there has been any misrepresentation or any other abuse of any of your accounts; or (7) we reasonably deem it necessary to prevent a loss to us. You may terminate an individual account by giving written notice. We reserve the right to require the consent of all owners to terminate a joint account. We are not responsible for payment of any check, draft, withdrawal, or other item after your account is terminated; however, if we pay an item after termination, you agree to reimburse us.

29. TERMINATION OF MEMBERSHIP - You may terminate your membership by giving us written notice or by withdrawing your minimum required membership share, if any, and closing all your accounts. You may be denied services for causing a loss to the credit union or you may be expelled for any reason as allowed by applicable law.

30. DEATH OF ACCOUNT OWNER - We may continue to honor all transfer orders, withdrawals, deposits and other transactions on an account until we know of a member's death. Once we know of a member's death, we may pay checks or drafts or honor other payments or transfer orders authorized by the deceased member for a period of ten (10) days after that date unless we receive instructions from any person claiming an interest in the account to stop payment on the checks, drafts or other items. We may require anyone claiming a deceased owner's account funds to indemnify us for any losses resulting from our honoring that claim. This Agreement will be binding upon any heirs or legal representatives of any account owner.

31. SEVERABILITY - If a court holds any portion of this Agreement to be invalid or unenforceable, the remainder of this Agreement shall not be invalid or unenforceable and will continue in full force and effect. All headings are intended for reference only and are not to be construed as part of the Agreement.

32. ENFORCEMENT - You are liable to us for any losses, costs or expenses we incur resulting from your failure to follow this Agreement. You authorize us to deduct any such losses, costs or expenses from your account without prior notice to you. If we bring a legal action to collect any amount due under or to enforce this Agreement, we shall be entitled, subject to applicable law, to payment of reasonable attorney's fees and costs, including fees on any appeal, bankruptcy proceedings, and any post-judgment collection actions.

33. GOVERNING LAW - This Agreement is governed by the credit union's bylaws, federal laws and regulations, the laws, including applicable principles of contract law, and regulations of the state in which the credit union's main office is located, and local clearinghouse rules, as amended from time to time. As permitted by applicable law, you agree that any legal action regarding this Agreement shall be brought in the county in which the credit union is located.

34. NEGATIVE INFORMATION NOTICE - We may report information about your loan, share or deposit accounts to credit bureaus. Late payments, missed payments, or other defaults on your accounts may be reflected in your credit report.

FUNDS AVAILABILITY POLICY DISCLOSURE

This Disclosure describes your ability to withdraw funds at Members First Community Credit Union. It only applies to the availability of funds in transaction accounts. The Credit Union reserves the right to delay the availability of funds deposited to accounts that are not transaction accounts for periods longer than those disclosed in this policy. Please ask us if you have a question about which accounts are affected by this policy.

1. GENERAL POLICY — Our policy is to make funds from your cash and check deposits available to you on the same business day that we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Once they are available, you can withdraw the funds in cash and we will use the funds to pay checks that you have written. For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. We have different deposit cutoff hours for different deposit locations. The earliest cutoff time that might apply is close of business p.m. If you make a deposit before our cutoff hour on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after our cutoff hour or on a day we are not open, we will consider that the deposit was made on the next business day we are open. Our cutoff hours are available at the Credit Union.

2. RESERVATION OF RIGHT TO HOLD — In some cases, we will not make all of the funds that you deposit by check available to you on the same business day that we receive your deposit. Funds may not be available until the second business day after the day of your deposit. However, the first \$100.00 of your deposit will be available on the first business day after the day of your deposit. If we are not going to make all of the funds from your deposit available on the same business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees or if we decide to take this action after you have left the premises, we will mail you the notice by the next business day after we receive your deposit. If you will need the funds from a deposit right away, you should ask us when the funds will be available.

3. HOLDS ON OTHER FUNDS — If we cash a check for you that is drawn on another financial institution, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it. If we accept for deposit a check that is drawn on another financial institution, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this Disclosure for the type of check that you deposited.

4. SPECIAL RULES FOR NEW ACCOUNTS — If you are a new member, the following special rules will apply during the first 30 days your account is open.

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,000.00 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state, and local government checks will be available on the next business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you. The excess over \$5,000.00 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,000.00 will not be available until the second business day after the day of your deposit. Funds from all other check deposits will be available on the ninth business day after the day of your deposit.

Overdraft Disclosure and Agreement

This Overdraft Disclosure and Agreement ("Agreement") describes the circumstances when we (the "Credit Union") will pay overdrafts in your checking account and charge you a fee. "Overdraft" means there is not enough available balance in your account to pay for a transaction. If we pay for an overdraft, we will charge a fee of \$28. The \$28 fee is described in our Schedule of Fees, which is updated periodically.

Please note that for ATM and one-time debit card transactions (such as purchases at restaurants, hotels, gas stations and supermarket), you must affirmatively consent to this coverage. We will provide you with a disclosure to "opt-in" to this coverage. Without your consent, we may not authorize and pay an ATM or one-time debit card transaction that will result in insufficient available funds in your account.

The following is important information regarding your account balance, how transactions are posted to your account, and when an overdraft fee will be charged. You should read these disclosures carefully. If you have questions, please see a branch representative or call (217) 223-4377.

YOUR CHECKING ACCOUNT BALANCE. Your checking account has two kinds of balances: the "actual" balance and the "available" balance. Both can be checked when you review your account online, at an ATM, by phone, or at a branch. It is important to understand how the two balances work so that you know how much money is in your account at any given time. This section explains actual and available balances and how they work.

Your actual balance is the amount of money that is actually in your account at any given time. It reflects transactions that have "posted" to your account, but not transactions that have been authorized and are pending. While the term "actual" may sound as though the number you see is an up-to-date display of what is in your account that you can spend, that is not always the case. Any purchases, holds, fees, other charges, or deposits made on your account that have not yet posted will not appear in your actual balance. For example, if you have a \$50.00 actual balance, but you just wrote a check for \$40.00, then your actual balance is \$50.00 but it does not reflect the pending check transaction. So at that point, you actually have \$50, but you have already spent \$40.

Your available balance is the amount of money in your account that is available for you to use without incurring an overdraft fee. The available balance takes into account things like holds placed on deposits and pending transactions (such as pending debit card purchases) that the Credit Union has authorized but that have not yet posted to your account. For example, assume you have an actual balance of \$50 and an available balance of \$50. If you were to use your debit card at a restaurant to buy lunch for \$20 (without a tip), then that merchant could ask us to pre-authorize the payment. In that case, we will put a "hold" on your account for \$20. Your actual balance would still be \$50.00 because this transaction has not yet posted, but your available balance would be \$30 because you have committed to pay the restaurant \$20. When the restaurant submits its bill for payment (which could be a few days later and then include a tip), we will post the transaction to your account and your actual balance will be reduced by \$20 plus any tip.

Available balance is used to determine when your account is overdrawn. The following example illustrates how this works:

Again, assume your actual and available balance are both \$50, and you swipe your debit card at a restaurant for \$20. A hold is placed on your account, so your available balance is only \$30. Your actual balance is still \$50. Before the restaurant charge is sent to us for processing, a check that you wrote for \$40 clears. Because you have only \$30 available (you have committed to pay the restaurant \$20), your account will be overdrawn by \$10, even though your actual balance is \$50. In this case, we may pay the \$40 check, but you will be charged an overdraft fee of \$28. That fee will be deducted from your account, further reducing the balance.

It is very important to understand that you may still overdraw your account even though the available balance appears to show there are sufficient funds to cover a transaction that you want to make. This is because your available balance may not reflect all your outstanding checks and automatic bill payments that you have authorized, or other outstanding transactions that have not been paid from your account. In the example above, the outstanding check will not be reflected in your available balance until it is presented to us and paid from your account.

In addition, your available balance may not reflect all of your debit card transactions. For example, if a merchant obtains our prior authorization but does not submit a one-time debit card transaction for payment within three (3) business days of authorization (or for up to thirty (30) business days for certain types of debit card transactions), we must release the authorization hold on the transaction. The available balance will not reflect this transaction once the hold has been released until the transaction has been received by us and paid from your account.

HOW TRANSACTIONS ARE POSTED TO YOUR ACCOUNT. There are basically two types of transactions in your account: credits or deposits of money into your account, and debits or payments out of your account. It is important to understand how each is applied to your account so that you know how much money you have and how much is available to you at any given time. This section explains generally how and when we post transactions to your account.

Credits. Our general policy is to allow you to withdraw funds deposited into your account on the next business day after the day we receive the deposit. Funds from electronic deposits will be available on the day we receive the deposit. In some cases, we may delay your ability to withdraw funds beyond the next business day. Then, the funds will be generally be available by the eleventh business day after the day of the deposit. Items to be held and the length of holds are at the discretion of management.

Debits. There are several types of debit transactions. Each type of debit transaction is described generally below. Keep in mind that there are many ways transactions are presented for payment by merchants, and the Credit Union is not necessarily in control of when transactions are received.

- **Checks.** When you write a check, it is processed through the Federal Reserve system. We receive data files of cashed checks from the Federal Reserve each day. The checks drawn on your account are compiled from these data files and paid each day. If we can control when checks are processed and received, we will process the payments from low to high dollar value. This allows us to pay as many of your checks as possible without causing multiple overdrafts.
- **ACH Payments.** We receive data files every day from the Federal Reserve with Automated Clearing House or "ACH" transactions. These include, for example, automatic bill pays you have signed up for. Each day, ACH transactions for your account are grouped together and paid in low to high dollar value.
- **Point of Sale (POS) Debit Card Transactions.** These are transactions where you use your debit card and you enter your PIN number at the time of the sale. They are similar to ATM withdrawals because money is usually deducted from your account immediately at the time of the transaction. However, some POS transactions are not presented for payment immediately; it depends on the merchant.
- **Signature Debit Card Transactions.** These are transactions where you make a purchase with your debit card and you do not enter your PIN but you are instead asked to sign for the purchase. As described above, in these situations, the merchant may seek prior authorization for the transaction. When that happens, we generally place a temporary hold against the available funds in your account. We refer to this temporary hold as an "authorization hold," and the amount of the authorization hold will be subtracted from your available balance. Authorizations are deducted from your available balance but not your actual balance as they are received by us throughout each day. At some point after you sign for the transaction, it is processed by the merchant and submitted to us for payment. This can happen hours or sometimes days after you signed for it, depending on the merchant and its processing company. These payment requests are received in real time throughout the day and are posted to your account as they are received. **Please note:** the amount of an authorization hold may differ from the actual payment because the final transaction amount may not yet be known to the merchant when the authorization request is submitted. For example, if you use your card at a restaurant, a hold will be placed in the amount of the bill presented to you, but when the transaction posts it will include any tip that you may have added to the bill. This may also be the case where you swipe your debit card at gas stations and hotels and other retail establishments. We cannot control how much a merchant asks us to authorize, or when a merchant submits a transaction for payment.

This is a general description of how certain types of transactions are posted. These practices may change and we reserve the right to pay items in any order we chose as permitted by law.

We may receive multiple deposit and withdrawal transactions on your account in many different forms throughout each business day. This means that you may be charged more than one \$28 fee if we pay multiple transactions when your account is overdrawn.

The best way to know how much money you have and avoid paying overdraft fees is to record and track all of your transactions closely.

IF YOU DO NOT UNDERSTAND THIS AGREEMENT OR HAVE ANY QUESTIONS, PLEASE CONTACT US AT (217) 223-4377, MONDAY THROUGH FRIDAY, 9 AM TO 5 PM AND SATURDAY, 8:30 AM TO 12:00 PM CENTRAL STANDARD TIME.

ELECTRONIC FUND TRANSFERS AGREEMENT AND DISCLOSURE

This Electronic Fund Transfers Agreement and Disclosure is the contract which covers your and our rights and responsibilities concerning the electronic fund transfers (EFT) services offered to you by Members First Community Credit Union ("Credit Union"). In this Agreement, the words "you," "your," and "yours" mean those who sign the application or account card as applicants, joint owners, or any authorized users. The words "we," "us," and "our" mean the Credit Union. The word "account" means any one (1) or more share and share draft accounts you have with the Credit Union. Electronic fund transfers are electronically initiated transfers of money from your account through the EFT services described below. By signing an application or account card for EFT services, signing your card, or using any service, each of you, jointly and severally, agree to the terms and conditions in this Agreement and any amendments for the EFT services offered.

1. EFT SERVICES — If approved, you may conduct any one (1) or more of the EFT services offered by the Credit Union.

a. CU Cash. If approved, you may use your card and personal identification number (PIN) in automated teller machines (ATMs) of the Credit Union, Cirrus, Pulse, STAR, Interlink and AllPoint networks, and such other machines or facilities as the Credit Union may designate. For ATM transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from this type of transaction. Services and fees for ATM overdrafts are shown in the document the Credit Union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.

At the present time, you may use your card to:

- Withdraw funds from your share accounts.

The following limitations on the frequency and amount of ATM transactions may apply:

- See Section 2 for transfer limitations that may apply to these transactions.

b. Visa Check Card. If approved, you may use your card to purchase goods and services from participating merchants. However, you may not use your card to initiate any type of gambling transaction. If you wish to pay for goods or services over the Internet, you may be required to provide card number security information before you will be permitted to complete the transaction. You agree that you will not use your card for any transaction that is illegal under applicable federal, state, or local law. Funds to cover your card purchases will be deducted from your Share Draft account. For one-time debit transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transaction. Services and fees for overdrafts are shown in the document the Credit Union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.

For other types of transactions, if the balance in your account is not sufficient to pay the transaction amount, the Credit Union may pay the amount and treat the transaction as a request to transfer funds from other deposit accounts, approved overdraft protection accounts, or loan accounts that you have established with the Credit Union. If you initiate a transaction that overdraws your account, you agree to make immediate payment of any overdrafts together with any service charges to the Credit Union. In the event of repeated overdrafts, the Credit Union may terminate all services under this Agreement. You may use your card and personal identification number (PIN) in ATMs of the Credit Union, Cirrus, Pulse, STAR, Interlink and AllPoint networks, and such other machines or facilities as the Credit Union may designate. In addition, you may use your card without a PIN for certain transactions on the Visa Cirrus, Pulse and Allpoint networks. However, provisions of this Agreement relating to Visa transactions do not apply to transactions processed through non-Visa networks. To initiate a Visa Debit transaction, you may sign a receipt, provide a card number or swipe your card through a point-of-sale (POS) terminal and choose to route the transaction over a Visa network. Please refer to the Member Liability section of this Agreement for terms and conditions.

- See Section 2 for transfer limitations that may apply to these transactions.
- There are daily withdrawal and purchase limits. You will be notified of these limits by the credit union before you receive your access card.

c. Health Savings Account. If you will be using your debit card to access a Health Savings Account (HSA), portions of this Agreement governed by Regulation E will not apply. A HSA account as defined by the IRS is a trust account, and therefore is not covered under Reg E. But portions of this Agreement such as Visa "0" liability for unauthorized use for example, do apply. Funds to cover your card purchases will be deducted from your Health Savings Account account. You may use your card and personal identification number (PIN) in ATMs of the Credit Union, Cirrus, Pulse, STAR, Interlink and AllPoint networks, and such other machines or facilities as the Credit Union may designate. In addition, you may use your card without a PIN for certain transactions on the Visa Cirrus, Pulse and Allpoint networks. However, provisions of this Agreement relating to Visa transactions do not apply to transactions processed through non-Visa networks. To initiate a Visa Debit transaction, you may sign a receipt, provide a card number or swipe your card through a point-of-sale (POS) terminal and choose to route the transaction over a Visa network. Please refer to the Member Liability section of this Agreement for terms and conditions.

At the present time, you may also use your card to:

- There is no limit to the number of inquiries, transfers, or withdrawal requests you may make in any one (1) day.
- See Section 2 for transfer limitations that may apply to these transactions.

The Credit Union reserves the right to refuse any transaction which would draw upon insufficient funds, exceed a credit limit, lower an account below a required balance, or otherwise require us to increase our required reserve on the account. All checks are payable to you as a primary member and will be mailed to your address of record. The Credit Union may set other limits on the amount of any transaction, and you will be notified of those limits. The Credit Union may refuse to honor any transaction for which you do not have sufficient available verified funds. The service will discontinue if no transaction is entered after numerous unsuccessful attempts to enter a transaction and there may be limits on the duration of each telephone call.

e. Preauthorized EFTs.

- **Preauthorized Debits.** Upon instruction, we will pay certain recurring transactions from your share and share draft accounts.
- The Credit Union will send you notice when a transaction is not completed as scheduled.
- See Section 2 for transfer limitations that may apply to these transactions.
- **Stop Payment Rights.** If you have arranged in advance to make electronic fund transfers out of your account(s) for money you owe others, you may stop payment on preauthorized transfers from your account. You must notify us orally or in writing at any time up to three (3) business days before the scheduled date of the transfer. We may require written confirmation of the stop payment order to be made within 14 days of any oral notification. If we do not receive the written confirmation, the oral stop payment order shall cease to be binding 14 days after it has been made. A stop payment request for preauthorized Electronic Funds Transfers will apply to all subsequent transfers, unless you withdraw the request.
- **Notice of Varying Amounts.** If these regular payments may vary in amount, the person you are going to pay is required to tell you, ten (10) days before each payment, when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment or when the amount would fall outside certain limits that you set.
- **Liability for Failure to Stop Payment of Preauthorized Transfers.** If you order us to stop payment of a preauthorized transfer three (3) business days or more before the transfer is scheduled and we do not do so, we will be liable for your losses or damages.

f. Electronic Check Conversion/Electronic Returned Check Fees. If you pay for purchases or bills with a check or draft, you may authorize your check or draft to be converted to an electronic fund transfer. You may also authorize merchants or other payees to electronically debit your account for returned check fees. You are considered to have authorized these electronic fund transfers if you complete the transaction after being told (orally or by a notice posted or sent to you) that the transfer may be processed electronically or if you sign a written authorization.

g. CU Online. If we approve CU Online for your accounts, a separate personal identification number (PIN) will be assigned to you. You must use your personal identification number (PIN) along with your account number to access your accounts. At the present time, you may use CU Online to:

- Withdraw funds from your share, share draft, and Money Market accounts.
- Transfer funds from your share, share draft, and Money Market accounts.
- Obtain balance information for your share, share draft, and Money Market accounts.
- Make loan payments from your share, share draft, and Money Market accounts.

Your accounts can be accessed under CU Online via personal computer. CU Online will be available for your convenience 24 hours per day. This service may be interrupted for a short time each day for data processing. We reserve the right to refuse any transaction which would draw upon insufficient funds, exceed a credit limit, lower an account below a required balance, or otherwise require us to increase our required reserve on the account. All checks are payable to you as a primary member and will be mailed to your address of record. We may set other limits on the amount of any transaction, and you will be notified of those limits. We may refuse to honor any transaction for which you do not have sufficient available verified funds. The service will discontinue if no transaction is entered after numerous unsuccessful attempts to enter a transaction and there may be limits on the duration of each access.

- There is no limit to the number of inquiries, transfers, or withdrawal requests you may make in any one (1) day.
- See Section 2 for transfer limitations that may apply to these transactions.

h. CUNA. We will process bill payment transfer requests only to those creditors the Credit Union has designated in the User Instructions and such creditors as you authorize and for whom the Credit Union has the proper vendor code number. We will not process any bill payment transfer if the required transaction information is incomplete.

We will withdraw the designated funds from your share draft account for bill payment transfer by the designated cutoff time on the date you schedule for payment. We will process your bill payment transfer within a designated number of days before the date you schedule for payment. You must allow sufficient time for vendors to process your payment after they receive a transfer from us. Please leave as much time as though you were sending your payment by mail. We cannot guarantee the time that any payment will be credited to your account by the vendor.

- There is no limit on the number of bill payments per day.

2. TRANSFER LIMITATIONS — For all share, Club, and Money Market accounts, you may make no more than six (6) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic, or Internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. If you exceed these limitations, your account may be subject to a fee or be closed.

3. CONDITIONS OF EFT SERVICES —

a. Ownership of Cards. Any card or other device which we supply to you is our property and must be returned to us, or to any person whom we authorize to act as our agent, or to any person who is authorized to honor the card, immediately according to instructions. The card may be repossessed at any time at our sole discretion without demand or notice. You cannot transfer your card or account to another person.

b. Honoring the Card. Neither we nor merchants authorized to honor the card will be responsible for the failure or refusal to honor the card or any other device we supply to you. If a merchant agrees to give you a refund or adjustment, you agree to accept a credit to your account in lieu of a cash refund.

c. Foreign Transactions.

Visa. Purchases and cash withdrawals made in foreign currencies will be debited from your account in U.S. dollars. The exchange rate between the transaction currency and the billing currency used for processing international transactions is a rate selected by Visa from a range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate Visa itself receives or the government-mandated rate in effect for the applicable central processing date. The exchange rate used on the processing date may differ from the rate that would have been used on the purchase date or cardholder statement posting date.

d. Security of Access Code. You may use one (1) or more access codes with your electronic fund transfers. The access codes issued to you are for your security purposes. Any access codes issued to you are confidential and should not be disclosed to third parties or recorded on or with the card. You are responsible for safekeeping your access codes. You agree not to disclose or otherwise make your access codes available to anyone not authorized to sign on your accounts. If you authorize anyone to use your access codes, that authority shall continue until you specifically revoke such authority by notifying the Credit Union. You understand that any joint owner you authorize to use an access code may withdraw or transfer funds from any of your accounts. If you fail to maintain the security of these access codes and the Credit Union suffers a loss, we may terminate your EFT services immediately.

e. Joint Accounts. If any of your accounts accessed under this Agreement are joint accounts, all joint owners, including any authorized users, shall be bound by this Agreement and, alone and together, shall be responsible for all EFT transactions to or from any share and share draft or loan accounts as provided in this Agreement. Each joint account owner, without the consent of any other account owner, may, and is hereby authorized by every other joint account owner, make any transaction permitted under this

Agreement. Each joint account owner is authorized to act for the other account owners, and the Credit Union may accept orders and instructions regarding any EFT transaction on any account from any joint account owner.

4. FEES AND CHARGES — There are certain fees and charges for EFT services. For a current listing of all applicable fees, see our current Schedule of Fees and Charges that was provided to you at the time you applied for or requested these electronic services. From time to time, the charges may be changed. We will notify you of any changes as required by applicable law.

If you use an ATM not operated by us, you may be charged a fee by the ATM operator and by any national, regional, or local network used in processing the transaction (and you may be charged a fee for a balance inquiry even if you do not complete a funds transfer). The ATM surcharge will be debited from your account if you elect to complete the transaction or continue with the balance inquiry.

5. MEMBER LIABILITY — You are responsible for all transactions you authorize using your EFT services under this Agreement. If you permit someone else to use an EFT service, your card or your access code, you are responsible for any transactions they authorize or conduct on any of your accounts.

TELL US AT ONCE if you believe your card or access code has been lost or stolen, if you believe someone has used your card or access code or otherwise accessed your accounts without your authority, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line-of-credit). If a transaction was made with your card or card number without your permission and was either a Visa or Interlink transaction, you will have no liability for the transaction, unless you were grossly negligent in the handling of your account or card or access code. For all other EFT transactions, including ATM transactions or if you were grossly negligent in the handling of your account or card or access code, your liability for an unauthorized transaction is determined as follows.

If you tell us within two (2) business days you can lose no more than \$50.00 if someone used your card or access code without your permission. If you do NOT tell us within two (2) business days after you learn of the loss or theft of your card or access code and we can prove we could have stopped someone from using your card or access code without your permission if you had told us, you could lose as much as \$500.00.

Also, if your statement shows transfers that you did not make including those made by card, access code or other means, TELL US AT ONCE. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money lost after the 60 days if we can prove that we could have stopped someone from making the transfers if you had told us in time. If a good reason (such as a hospital stay) kept you from telling us, we will extend the time periods.

If you believe your card or access code has been lost or stolen or that someone has transferred or may transfer money from your accounts without your permission, call:

217-223-4377

or write to:

Members First Community Credit Union
1201 N. 24th
Quincy, IL 62305
Fax: 217-223-4391

You should also call the number or write to the address listed above if you believe a transfer has been made using the information from your check without your permission.

6. RIGHT TO RECEIVE DOCUMENTATION —

a. Periodic Statements. Transfers and withdrawals made through any ATM or POS terminal, debit card transactions, HSA debit card transactions, audio response transactions, preauthorized EFTs, online/PC transactions or bill payments you make will be recorded on your periodic statement. You will receive a statement monthly unless there is no transaction in a particular month. In any case, you will receive a statement at least quarterly.

b. Terminal Receipt. You can get a receipt at the time you make any transaction (except inquiries) involving your account using an ATM and/or point-of-sale (POS) terminal.

7. ACCOUNT INFORMATION DISCLOSURE — We will disclose information to third parties about your account or the transfers you make:

- As necessary to complete transfers;
- To verify the existence of sufficient funds to cover specific transactions upon the request of a third party, such as a credit bureau or merchant;
- If your account is eligible for emergency cash and/or emergency card replacement services and you request such services, you agree that we may provide personal information about you and your account that is necessary to provide you with the requested service(s);
- To comply with government agency or court orders; or
- If you give us your written permission.

8. BUSINESS DAYS — Our business days are Monday through Saturday, excluding holidays.

9. CREDIT UNION LIABILITY FOR FAILURE TO MAKE TRANSFERS — If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we may be liable for your losses or damages proximately caused by our error. However, we will not be liable for direct or consequential damages in the following events:

- If, through no fault of ours, there is not enough money in your accounts to complete the transaction, if any funds in your accounts necessary to complete the transaction are held as uncollected funds pursuant to our Funds Availability Policy Disclosure, or if the transaction involves a loan request exceeding your credit limit.
- If you used your card or access code in an incorrect manner.
- If the ATM where you are making the transfer does not have enough cash.
- If the ATM was not working properly and you knew about the problem when you started the transaction.
- If acts of God (such as fire, flood, or power failure) prevent the transaction.
- If the money in your account is subject to legal process or other claim.

- If the telephone or computer equipment you use to conduct audio response or online/PC transactions is not working properly and you know or should have known about the breakdown when you started the transaction.
- If you have bill payment services, we can only confirm the amount, the participating merchant, and date of the bill payment transfer made by the Credit Union. The following information is a list of safety precautions regarding the use of ATMs and night deposit facilities:

- Be aware of your surroundings, particularly at night.
- Consider having someone accompany you when the ATM or night deposit facility is used after dark.
- Close the entry door of any ATM facility equipped with a door.
- If another person is uncomfortably close to you at the time of your transaction, ask the person to step back before you complete your transaction. If it is after the regular hours of the financial institution and you are using an ATM, do not permit entrance to any person you do not know.
- Refrain from displaying your cash at the ATM or night deposit facility. As soon as your transaction is completed, place your money in your purse or wallet. Count the cash later in the safety of your car or home.
- If you notice anything suspicious at the ATM or night deposit facility, consider using another ATM or night deposit facility or coming back later. If you are in the middle of a transaction and you notice something suspicious, cancel the transaction, take your card or deposit envelope, and leave.
- If you are followed after making a transaction, go to the nearest public area where people are located.
- Do not write your personal identification number (PIN) or access code on your ATM card.
- Report all crimes to law enforcement officials immediately. If emergency assistance is needed, call the police from the nearest available public telephone.

NOTE: If the error you assert is an unauthorized Visa transaction, other than a cash disbursement at an ATM, we will credit your account within five (5) business days unless we determine that the circumstances or your account history warrant a delay, in which case you will receive credit within ten (10) business days.

12. TERMINATION OF EFT SERVICES — You may terminate this Agreement or any EFT service under this Agreement at any time by notifying us in writing and stopping your use of your card and any access code. Account Disclosures

Except as specifically described, the following disclosures apply to all accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

- RATE INFORMATION** – The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For all accounts, the dividend rate and annual percentage yield are fixed and will be in effect for the initial term of the account. For accounts subject to dividend compounding, the annual percentage yield is based on an assumption that dividends will remain on deposit until maturity. A withdrawal of dividends will reduce earnings.
- DIVIDEND PERIOD** – For each account, the dividend period is the account's term. The dividend period begins on the first day of the term and ends on the maturity date.
- DIVIDEND COMPOUNDING AND CREDITING** – The compounding and crediting frequency of dividends are stated in the Rate Schedule. Interest/Dividends on the 12-Month Save to Win® Certificate will be compounded and credited at maturity of the certificate.
- BALANCE INFORMATION** – To open any account, you must deposit, or already have on deposit, the minimum required share(s) in a Share-1 account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For all accounts, dividends are calculated by the daily balance method which applies a daily periodic rate to the principal in the account each day.
- ACCRUAL OF DIVIDENDS** – For all accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. If you close your account before accrued dividends are credited, accrued dividends will not be paid.
- TRANSACTION LIMITATIONS** – For all accounts, your ability to make deposits to your account and any limitations on such transactions are stated in the Rate Schedule. After your account is opened, you may make withdrawals subject to the early withdrawal penalties stated below. During the term of the Save to Win® Certificate, additional deposits are allowed during the term of this certificate. For every \$25.00 increase in month over month balance, the certificate owner will earn one entry (up to 10 entries per month/30 entries per quarter) into the

savings raffle. The Savings Promotion Raffle begins on January 1, 2018 and ends December 31, 2018; however, certificates will mature 12 months after account opening period, the official rules can be found online at www.savetowin.org and are provided upon opening the certificate.

- MATURITY** – Your account will mature as stated on this Truth-in-Savings Disclosure or on your Account Receipt or Renewal Notice.
- EARLY WITHDRAWAL PENALTY** – We may impose a penalty if you withdraw funds from your account before the maturity date.
 - Amount of Penalty.** For all accounts, the amount of early withdrawal penalty for your account is all dividends earned.
 - How the Penalty Works.** The penalty is calculated as a forfeiture of part of the dividends that have been, or would be, earned on the account. It applies whether or not the dividends have been earned. In other words, if the account has not yet earned enough dividends or if the dividends have already been paid, the penalty will be deducted from the principal.
 - Exceptions to Early Withdrawal Penalties.** At our option, we may pay the account before the maturity without imposing an early withdrawal penalty under the following circumstances:
 - When an account owner dies or is determined legally incompetent by a court or other body of competent jurisdiction.
 - Where the account is an Individual Retirement Account (IRA) and any portion is paid within seven (7) days after the establishment of the account; or where the account is a Keogh Plan (Keogh), provided that the depositor forfeits an amount at least equal to the simple dividends earned in the account withdrawn; or where the account is and IRA or Keogh and the owner attains age 59 ½ or becomes disabled.
 - During the term of the Save to Win® Certificate, account holders will be allowed to make one withdrawal from the account with a \$25.00 penalty to be assessed at the time of withdrawal. If the early withdrawal reduces the principal below the minimum balance or a second withdrawal is performed in the 12-month term, the

certificate will be closed. The credit union will deduct from the principal amount to cover the penalty.

- RENEWAL POLICY** – The renewal policy for your accounts is stated in the Rate Schedule. For accounts that automatically renew for another term, you will not have a grace period after maturity to withdraw funds without being charged an early withdrawal penalty. To avoid a withdrawal penalty, all withdrawals must be made on the maturity date. For accounts that automatically renew for another term, you have grace period of 10 days after maturity in which to withdraw funds in the account without being charged an early withdrawal penalty. For accounts that do not automatically renew for another term, the account balance will be paid to you by check or transferred to another account of yours upon maturity.
- NONTRANSFERABLE/NONNEGOTIABLE** – Your account is nontransferable and nonnegotiable.
- MEMBERSHIP** – As a condition of membership, you must purchase and maintain the minimum required share(s) and pay a nonrefundable membership fee as set forth below:
 - Per Value of One Share: \$25.00
 - Number of Shares Required: 1
 - Membership Fee: \$5.00

The rates and fees appearing with this schedule are accurate as of the effective date indicated on this Truth-in-Savings Disclosure. If you have any questions or require current rate and fee information on your accounts, please call the Credit Union.

ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. RATE INFORMATION - The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Money Market and Health Savings accounts, the dividend rate and annual percentage yield are fixed and will be in effect anytime. The Credit Union will notify you at least 30 days in advance of any decrease. For Matrimoney accounts, the dividend rate and annual percentage yield are fixed and will be in effect indefinitely. The Credit Union will notify you at least 30 days in advance of any decrease. For Regular Shares, Christmas Dough Club, vacation Mile Marker, Special Shares, and IRA accounts, the dividend rate and annual percentage yield may change at any time as determined by the Credit Union's Board of Directors. For Business Checking - large accounts, the dividend rate and annual percentage yield may change at any time as determined by the Credit Union's Board of Directors. The dividend rates and annual percentage yields are the prospective rates and yields that the Credit Union anticipates paying for the applicable dividend period. The Regular Shares, Christmas Dough Club, Vacation Mile Marker, Special Shares, IRA, and Matrimoney accounts are tiered rate accounts. If your daily balance is from \$100.00 to \$999.99, the first dividend rate and annual percentage yield listed for this account in the Rate Schedule will apply. If your daily balance is from \$1,000.00 to \$2,499.99, the second dividend rate and annual percentage yield listed for this account will apply. If your daily balance is from \$2,500.00 to \$4,999.99, the third dividend rate and annual percentage yield listed for this account will apply. If your daily balance is \$5,000.00 or greater, the fourth dividend rate and annual percentage yield listed for this account will apply. Once a particular range is met, the dividend rate and annual percentage yield for that balance range will apply to the full balance of your account.

1. NATURE OF DIVIDENDS - Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

2. DIVIDEND COMPOUNDING AND CREDITING - The compounding and crediting frequency of dividends and the dividend period applicable to each account are stated in the Rate Schedule. The dividend period is the period of time at the end of which an account earns dividend credit. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period.

4. ACCRUAL OF DIVIDENDS - For all earning accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. If you close your account before accrued dividends are credited, you will not receive the accrued dividends. However, for Christmas Dough Club and Matrimoney accounts, any accrued dividends will be paid if you close the account within seven (7) days of the date you open it.

5. BALANCE INFORMATION - To open any account, you must deposit or already have on deposit the minimum required share(s) in a Share-1 account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For Christmas Dough Club and Business Checking - large accounts, there is a minimum daily balance required to avoid a service fee for the

calendar month. If the minimum daily balance requirement is not met during each day of the calendar month, you will be charged a service fee as stated in the Fee Schedule. For Regular Shares, Christmas Dough Club, Vacation Mile Marker, Special Shares, Money Market, IRA, Matrimoney, Business Checking - small, and Business Checking - large accounts, there is a minimum daily balance required to earn the annual percentage yield disclosed for the dividend period. If the minimum daily balance requirement is not met each day of the dividend period, you will not earn the stated annual percentage yield. For accounts using the average daily balance method as stated in the Rate Schedule, dividends are calculated by applying a periodic rate to the average daily balance in the account for the dividend period. The average daily balance is calculated by adding the principal in the account for each day of the period, and dividing that figure by the number of days in the period. For accounts using the daily balance method as stated in the Rate Schedule, dividends are calculated by applying a daily periodic rate to the principal in the account each day.

6. ACCOUNT LIMITATIONS - For Regular Shares, Christmas Dough Club, Vacation Mile Marker, Special Shares, Money Market, and IRA accounts, you may make no more than six (6) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic or internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. If you exceed these limitations, your account may be subject to a fee or be closed. For Christmas Dough Club accounts, the entire balance will be transferred to another account of yours on or after October 15 and the account will remain open. You may not make withdrawals from your account at any other time. If you wish to access the funds in your Christmas Dough Club account, you may close it. For Money Market accounts, you may make two (2) withdrawals per month with a minimum of \$500.00. For IRA accounts, follow IRA's regulations. For Matrimoney accounts, no withdrawals until wedding day. For Share Draft, Health Savings, Business Checking - small, and Business Checking - large accounts, no account limitations apply.

7. FEES FOR OVERDRAWING ACCOUNTS - Fees for overdrawing your account may be imposed on each check, draft, item, ATM transaction, and one-time debit transaction (if member has consented to overdraft protection plan for ATM and one-time debit card transactions), preauthorized automatic debit, telephone initialed withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. You may consult the Funds Availability Policy Disclosure for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item, or transaction. If we have approved an overdraft protection limit for your account, such fees may reduce your approved limit. Please refer to the Fee Schedule for current fee information. For ATM and one-time debit transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document the Credit Union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.
